

Cable Adaptor, G307K2 Kadet series Programming. # CBLPR07K

CONNECTER PINOUT		
"PC PORT" SIDE DB9 FEMALE	NAME	"HMI" SIDE DB9 FEMALE
2	RXD	4
5	COMM	5
3	TXD	6

BECAUSE BOTH ENDS USE A DB9 FEMALE CONNECTOR, ENSURE THAT BOTH ENDS ARE MARKED APPROPRIATELY WITH EITHER "PC PORT" OR "HMI" TO AVOID CONFUSION.
