

RED LION™

a spectris company

EXCELLENCE. REDEFINED.

FACT SHEET

Red Lion has been delivering innovative solutions to global markets since 1972 through communication, monitoring and control for industrial automation and networking - enabling companies worldwide to gain real-time data visibility that drives productivity.

Our Promise

TO DELIVER ACTIONABLE, INNOVATIVE SOLUTIONS TAILORED FOR CUSTOMER SUCCESS. We are dedicated to providing an easy, seamless experience. Customers count on us to be their business partner, investing in their unique goals, challenges and needs. We win each customer's confidence through our valuable expertise, customer-driven solutions and tangible result.

Our Values

BE TRUE

We believe in absolute integrity. It's how we win for stakeholders, the environment and each other.

- We do the right things in the right way.
- We speak up when something isn't right.
- We show care and respect for each other.

OWN IT

We believe in teamwork and keeping our promises. It's how we build our brands and businesses.

- We are decisive and take responsibility.
- We prize diversity and play to everybody's strengths.
- We put customers at the heart of our business.

AIM HIGH

We believe in being bold and positive. It's how we perform at our best and achieve greater success.

- We continuously strive to improve.
- We keep an open mind and try new things.
- We help each other succeed.
