

Prohibited Destinations

Red Lion products may not be shipped to the following countries:

1. Iran
2. North Korea
3. Cuba
4. Russia
5. Syria
6. Belarus
7. Russia Controlled Areas of Ukraine

Please note: this list is subject to change.

Other countries have partial embargoes depending on the end use application, which may require Red Lion to get a license from the U.S. government prior to shipment.

Red Lion products and technical information may not be exported to countries which are subject to trade embargoes. Whether or not explicitly required by local regulations, Red Lion may, at its sole discretion, require additional due diligence with respect to any country or region, not just those established in the table below, that Red Lion considers to be a “red flag”.

Control status of item	Countries subject to trade embargoes or blocked by Policy A NO BUSINESS ALLOWED	Countries subject to trade embargoes B	Countries subject to arms embargoes & high risk of diversion (or high WMD concern)	Countries subject to arms embargoes or financial/other sanctions	Countries with high risk of diversion (or Weapons of Mass Destruction (WMD) concern)	RoW (Rest of World)
